

**Part II**

Your job is to create a map of your city. For each organelle, draw your analogy, name it, and then write the cell analogy in parentheses. Make sure to give your city a name.

Example: Draw a water tower for the vacuole.

Rubric - This will count as a minor grade.

Colored Map of City	___ / 30 points
At Least 12 Cell-to-City Analogies	___ / 30 points
Completed Analogies Chart (1 Per Group)	___ / 20 points
Work is Neat and Organized	___ / 10 points
City Name and Title	___ / 10 points
Total	___ / 100 points
